Ms. Addison & Ms. Bailey,  
I would expect you get calls/emails inquiring about refugee resettlement today, particularly from the Greenville County Council that may ask you to speak at their next meeting.

I spoke at the their council meeting last night(they ask me to come). Here was the proposed resolution at the Greenville County Council last night. I spoke for 20 minutes & was supposed to take 5 minutes of questions(it ended being closer to 35!). Grueling Q & A, but was overall I felt it went well & was mildly successful as they tabled the resolution as presented until their next meeting. My hope is that it will be gutted & overhauled. Will continue to mobilize Greenville pastors & churches for support in the meantime.
