Dear,
"Governor" "Nikki Haley"

I am writing you in regards to the several other letters I've wrote in these past 2 months.

Mrs. Haley,

I would really like for you to help me. In 2005 I was sentenced to life plus 30 yrs w/o parole. I am in need of help....

I'm sure that you receive numerous letters from inmates & victims.

Being accused or being guilty doesn't help or change the lives of those impacted.

Being incarcerated at the Greenwood Prison for Women (Leath) has helped and hurt me throughout these 13 yrs. Now it helped me, is it's given me the learning abilities to be part of a program here (Character Arts Program.)

I've learned to make blankets, cards, scarves, hats & other items that goes towards the cause of giving.

Fortunately, Our program came together to make items for those victims hurt by S. Carolina's historical flood.

The Gaudion of Missin, the homeless, the Mentally ill & those whom is of less fortunate.

Ms. Haley,

Society Judges those whom are advertised, but Over look the Ones whom made Change & Progress. There is so many of us that have been sentenced to maximum amounts of times; But God Surely States that He is the Judge of all & everyone will be judged. No sin is greater than the next.

As I said, in 2005 I was sentenced to the maximum for charges I plead not guilty for. On Circumstances evidence; But there are people whom murdered entire families and have max out dates. I'm no politician, but I ask you to help us Women whom are lost in the system.

For many are called, yet few are Chosen. Ms. Haley, you was elected

to be our Governor & I respect you.
But, I will write & try contacting
any and everyone throughout the world
just to have a light shined on me
and so many other women whom
have been left behind.

My prison record should say alot.
I'm begging you in Jesus name to
help us female Mothers, Sisters,
Daughters, Nunts etc.

For the females with life
sentences aren't the ones whom are
coming in and out of prison. Its the
short termers. We receive no work
credits, no good time, yet were the
ones whom keep a job & work the
hardest.

Those ones whom are short termers
usually be the ones whom consistently
return over & over.

I'm begging you Ma'am for your
mercy. For you weren't just elected,
you was chosen by God. Sincerely,

Armen L Rice
