to the attention of lt. gov. kevin bryant:

i work for *the times examiner* in greenville, s.c., with editor bobby dill and would like for any press releases and comments that lt. gov. bryant is making to be forwarded to the paper with the intent of publishing them.

i have been impressed with the way lt. gov. bryant has been verbally representing the people and for his publicly saying what nobody hears us say. i hear his comments on word radio, 106.3, whenever i am driving and occasionally i read fitsnews where he is often quoted. i would like to receive his press releases and any internet accessible comments directly and if this office would forward them to my address and keep me informed with where he appears on the internet i would be glad to give him additional press in *the times*.

i would like to thank him and his staff for all that he and you are doing.

i can be contacted by phone: 864.230.6675

and email: jcthetimesexaminer@juno.com
