Dear SUA Directors,

This call is intended to couple technical assistance from the Region IV office with peer to peer sharing of practical experience at the state level. As I mentioned in my previous emails I have received a request from Debbie Anderson for a Regional SUA Directors call regarding AAA admin charges. I know this is a topic all of you have dealt with or are dealing with in various forms, is a topic that has seemingly innumerable permutations and about which you have great practical experience to share. Please feel free to include your fiscal staff as we will likely get down into the weeds on this one. I apologize for setting a call at 4pm on a Friday but apparently that time was the best fit with all your schedules. Also, please think about other topics on which you would like to have future similar conference call discussions. Talk to you on Friday!
