Proudly Serving The Bethel And Lake Wylie Areas

Dear Neighbor,

You enjoy a great benefit by living in Lake Wylie! You are in the area of York County that is served primarily by River Hills/Lake Wylie EMS. Our 24 hour a day, 7 day a week services are provided to area residents at no charge –no copays, no other costs.

We have over 60 (mostly volunteer) members, 2 ambulances with state of the art equipment, and a 4WD Quick Response Vehicle. In 2015, we responded to over 1200 calls. RH/LW EMS meets the same high service and licensing requirements as all other ambulance services throughout the state, and a certified Paramedic is on every call.

As an independent agency, our only responsibility is to you, the patient, at your time of dire need. **We do not receive any financial support from community/homeowners associations, hospitals, or government agencies.** We never go door-to-door asking for your assistance, nor do we solicit support by telephone.

The rampant growth in our area will result in an even higher number of calls. We expect increased demands for the medications, medical supplies, and other consumable equipment we must purchase. Additional wear and tear on our vehicles and equipment will raise maintenance costs as well.

This is our once-a-year request for donations and ***your contribution is vital to our continuing existence.***

Please donate today. Use the enclosed envelope, and mail your check to 152 Heritage Drive. Or, you may make the payment online at www.rhems.org. **All donations are tax deductible.** Our tax ID number is 57-0676809. If your employer has a matching donation policy, we qualify.

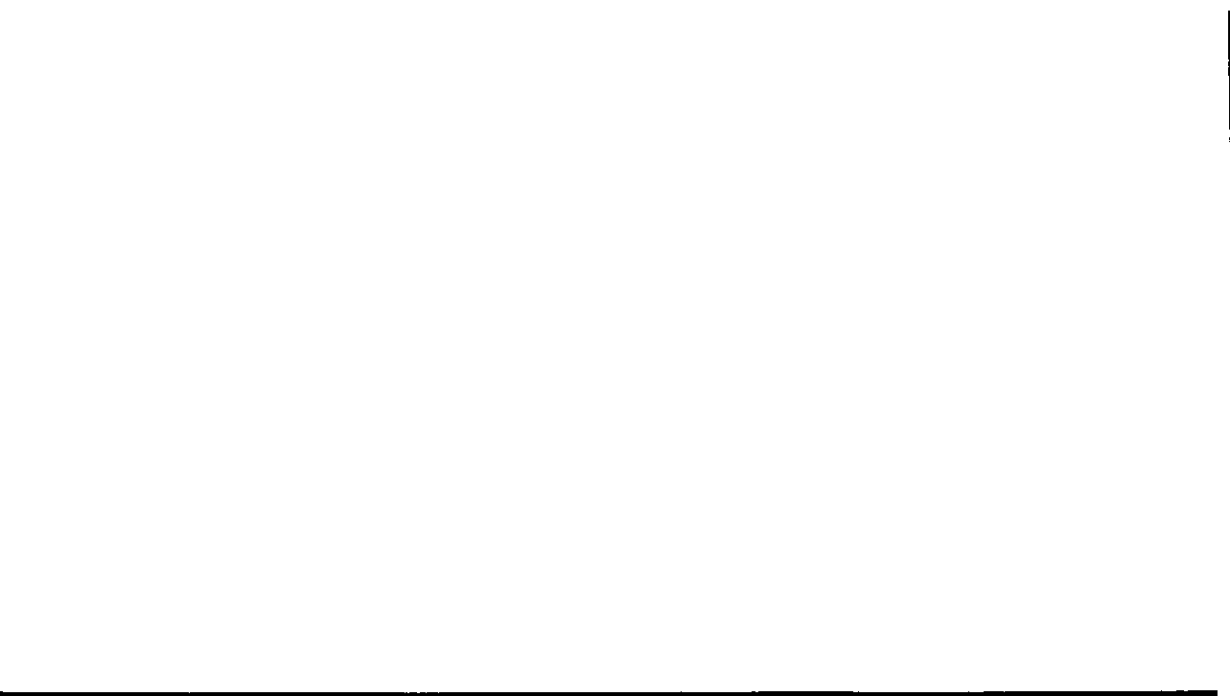

If you would like, drop your contribution off at our building. If the duty crew is there, they would be happy to give you a quick tour of the facility and answer any questions you may have. If the crew has been dispatched, the building will be locked and you can leave your donation in the mailbox at the entrance to our parking lot.

We thank you sincerely,

Richard Mann, President
