Mr. Delgado: Thank you for your email of July 31, 2015 concerning the dismissal of the alleged charges. However, I have not received any official signed order concerning the dismissal. I have been released by the Bond Company of the \$150,000.00 Bond as of two weeks ago. The Clerks office still shows this case as pending, please forward to me immediately a copy of the written order. Please keep me in the loop as to the facts and circumstances surrounding the process of clearing my record of these false charges.

In the Case of Daniel E. Johnson and former wife Kana Rahman alleged harassment charges. You mentioned Daniel E. Johnson being away on official military duty. Please note, Kana is a vital part of this alleged harassment charge initially brought by both parties before the S.C. Supreme Court's public sanctioning her for blatant misconduct. Rushing to get this into court within a month period of time appears to be inappropriate. Please note, I'm now back in town if you would like to meet. Please alert me immediately if you would like to schedule a meeting. I'm trying to put my life back together and will not be available next week.

Cordially,

Earl O. Graham

Mr. Graham-

I wanted to let you know that I have been contacted by the Judge. He has instructed the Assistant Attorney General, Mr. Underwood, to confer with Solicitor Johnson as to a time that this charge, Harassment 1st degree, can be tried in September. As I understand it Solicitor Johnson is out of town possibly through next week on military leave and this scheduling cannot be done until he returns. The Judge wanted to have this case scheduled as soon as possible.

As soon as I have heard from the Judge or the Attorney General as to when the case is set I will let you know. We will need to meet again then. The defense for this case will, in my estimation, require you to testify which is completely different from my strategy in the now dismissed Arson and related fraud charges.

John Delgado
