It is a bond recertification issue. The situation is atypical and we want to provide her with the background.

She can meet at 10:00 AM tomorrow morning but that is literally the only time she has tomorrow. I did not even have her scheduled to come in, but she can to meet. She will not be in the office at all on Friday. Is there anything you would like for me to add in the notes about what the meeting is regarding?

Nicole –

Swati and I need 15 minutes to brief the Governor on a time-sensitive issue. Does she have any availability tomorrow, or possibly early Friday before she leaves?

Thank you,

Richele
