Hey,

The ACLU has filed a records request today with you all to find out the cost and extend of Gov. Haley's involvement and use of public funds tied to her participation in The Response event here on Saturday.

Are you aware of it?

Will you honor it?

Do you have a cost estimate today of what she has done so far? I've seen a video and email promotion etc....?

And what does the gov think of the ACLU position that in their words "prayer is an act of worship, not an act of governance" ?
