

Dear Governor,

Because all presidents since (and including) George H.W. Bush have committed high TREASON against America and her people, our lives are in EXTREME DANGER.

In 1992, George H.W. Bush agreed to the United Nation's Agenda 21-Sustainable Development Policy. He might as well have signed our DEATH WARRANTS. In 1993, Bill Clinton made it official by passing, by EXECUTIVE ORDER,, 12852, which formed the President's Council of Sustainable Development. (Also known as Agenda-21.)

Agenda 21 not only overthrows our current form of government. It eliminates all of our personal rights and freedoms guaranteed by our founding documents. It eliminates the right to own private property, to have any individual rights whatsoever, and it gives total control to the United Nations/world government, and the NON-elected elite who are pushing this 'worse than communist' agenda, once it is fully implemented. Please allow me to be clear. Our Congress or Senate DID NOT have a voice in the acceptance or rejection of Agenda 21. The American citizens had absolutely NO voice or representation WHATSOEVER in this decision.(!!) One of the many horrid facets of Agenda 21, is the fact that it calls for an 80-95% DEPOPULATION of the planet. (Because the elite in control of the world believe that they have the RIGHT to play GOD, and decide who LIVES OR DIES.)

The federal government has been COVERTLY TUNNELING THROUGH YOUR STATE, attaching these tunnels to closed WALMART/HOME DEPOT or other government owned or controlled lands/buildings, and building/converting these large buildings and their surroundings to detainment/resettlement/CONCENTRATION CAMP-type buildings. Many are convinced that these tunnels and buildings will be used to FULFIL Agenda-21 DEPOPULATION policy. These tunnels could be used in a wide variety of ways to bring that goal into completion, depending on how the TRAITORS decide to use them.

Dear Governor, you cannot say that this is NOT HAPPENING, because we have heard the tunnelling machines digging the tunnels with our very own ears. The TUNNELS ARE HERE, and the TRAITORS WANT THE MAJORITY OF US DEAD. WHICH SIDE ARE YOU ON? Will you sit back and ALLOW the traitors to MURDER US, or will you put a STOP TO THE MADNESS and have the traitors arrested the way that you SHOULD?! THESE TUNNELS MUST BE EMPTIED AND DESTROYED, and the traitors must be arrested and tried. The people of your state are DEPENDING ON YOU to PROTECT THEM. PLEASE expose the tunnels and the locations of the detainment centers. HAVE THE TRAITORS ARRESTED, and PROTECT your people. This is NO JOKE. We KNOW the tunnels are HERE, and the word of these treasonous acts is spreading quickly. Please do what's right, and PROTECT THE PEOPLE in your state. They are COUNTING ON YOU. The traitors may try to LIE to you, saying that this is not their plan, or that these tunnels and facilities are intended for different purposes. PLEASE DON'T BE DECEIVED. Obama has been setting up the means and laws necessary for the completion of this plan since he has been in office.(!!) Nearly EVERY action and law he has passed has been pushing Agenda 21 policy! DO NOT LET THE TRAITORS LIE TO YOU or convince you that they are not planning massive death for us, because they ARE. ANYONE who

would agree to AGENDA 21 and the overthrow of our government CANNOT BE TRUSTED. These people are TRAITORS against AMERICA and they MUST be arrested and tried for their crimes.(!!) Please protect your people. They are counting on you. Please do not rest until all is exposed and the arrests have been made. Please act NOW.

There is nothing done in darkness that will not come to light, and nothing done in secret that will not be exposed. HELP YOUR PEOPLE.
