Good afternoon,

We are going to be participating in an event on Wednesday, October 9 in conjunction with Midlands Tech, Central Carolina Technical College and Florence-Darlington Technical College to talk about a \$25 million grant from the Department of Labor that will fund a program to help fast-track displaced workers in Healthcare Careers.

We are starting a bit behind and due to the late start I was wondering if y'all could help me put together some talking points. I have a lot of information that I will include.

Any help you can provide will be greatly appreciated.

Jeff
