Dear Ms. Haley,

I read with strong approval the following:

"South Carolina Gov. Nikki Haley declared her support for moving the U.S. Embassy in Israel from Tel Aviv to Jerusalem, a shift firmly endorsed by Donald Trump but one that could trigger increased violence in the Middle East."

Let's do as citizens of the USA what is right, move the embassy. The Arabs constantly foment violence in the Middle East no matter where the embassy is or will be.

And let's carry out as citizens of the USA the other proposals that you endorse with respect to Israel, all of which have to do with supporting the only democracy and our strong ally in the Mideast, Israel, a tiny but free and prosperous miracle of a nation in the midst of countries with cruel leaders who deny its citizens freedom and, for no reason that is logical or meaningful, seek to destroy our ally Israel.

Thank you.
