Subject: Military OneSource Monthly Communications - May "School Break and Education" @@

Greetings:

Just because summer is coming soon, it doesn't mean it's time to take a break from your child's education. Keeping your children engaged throughout the summer can help them be better prepared for the next grade in the fall. Military OneSource can help you find local summer camps and provide you with ideas for activities you can do with your children to keep them engaged.

Below you will find a list of Military OneSource resources available such as webinars, articles and services. When printing articles it is beneficial to print articles in PDF format which you can select as an option on the bottom of the right side of the webpage. Please visit www.MilitaryOneSource.mil<<http://www.MilitaryOneSource.mil>> for the full articles and other resources to assist you.
