Let's make it Monday. I have no time issues.

I'm in the middle of agency budget meetings, so my schedule's a bit of a train wreck. Do you have anything tomorrow afternoon? Like 2:30 or later? If not, what does next Monday look like?

Thursday morning would work but not Friday or Thursday afternoon. I also have plenty of time tomorrow morning - like 9:30 or so.

Hey,

Do you have some time later this week for me to come by and talk for a couple minutes about a relatively obscure issue with background checks for volunteering programs? The fix will require a brief bill that would likely go through Judiciary. Maybe 3:30 or later on Thursday or 2:30 or later on Friday? Thanks.
