## Get Access, Boost Speeds – Even in Remote Areas!

<http://hughesbusiness.hughes.com/rs/hughesnet2/images/franchise2-divider.jpg>

Dear Nikki,

Your agency can't afford to get bogged down by **slow data transmissions, stalled downloads, and sluggish web browsing** – especially when more of your efforts and interactions occur online.

Enter **HughesNet® Gen4**

<http://pages.myhughessolutions.com/p0100V03cA0Z0VFMuj09k20>, a leading edge satellite network that offers a full array of **affordable Internet Access service plans**.

And HughesNet Gen4 service plans feature **a new generation of performance-enhancing innovations in high speed downloading, browsing and data usage management**. Best of all, with HughesNet Gen4, every one of your locations – even those in remote areas – **can get and stay connected!**

## HughesNet Gen4 is Scalable & Affordable

- Available everywhere – even where DSL doesn't reach

- Speeds up to 15 Mbps\* – so you can do more, faster
- Reliability – from the leader in the industry
- Suite of services – to meet your agency's unique communications needs
- Secure connection – for one or many locations
- Enterprise-grade support – 24/7 technical assistance
- GSA Schedule 70 #GS-35F-0907P

**Don't wait. Start boosting your Internet speeds and efficiency today!**

**Learn More About HughesNet Gen4 for Federal, State & Local Governments**
