Hi-

I sent an email to Darrell similar to this one last night, which you might have seen. But after running into you a few times today, all of which you asked about Martha's Mom, I feel compelled to send you one too. :) I cannot express to you what it means to both Martha and me that you are so "family-first" focused. As I told Darrell, that's not something we're used to from someone in your position. In my opinion, it speaks a lot to your character and has a trickle-down effect. Just wanted to say thank you! This agency was my first job out of college years ago and I can say, for the first time, I'm happy with our leadership. So thanks again!

Enjoy your weekend!
Abby
