Subject: Trolls on our Social Pages Messaging our Fans

John and Brad,

8 of our fans reached out to us yesterday stating that they were being back messaged after they either liked or commented on our page.

They believed these were agents of either the city or Visit Myrtle Beach (The Chamber).

Please know, that we have never back messaged commentators on the VisitMyrtleBeachSouthCarolina facebook page.

However, I can see how an organization could stoop to such low and mean spirited tactics.

We will now begin monitoring and connecting with our fans asking for those messages to their inboxes.

Sincerely,
