Charleston Corporate Security Symposium Agenda (v2).docx

---

Hello,

My name is Deion and I work for the Department of Homeland Security, Office of Intelligence and Analysis in the Private Sector Engagement office. We are sponsoring a Corporate Security Symposium with our corporate host CodeLynx and TruSimulation on March 7, 2018 and would like to invite Lieutenant Governor Bryant to attend and provide the Keynote Remarks if his schedule permits.

For background, the symposium will be held on March 7, 2018, at TruSimulation, 5 Alliance Dr., Goose Creek, SC. 29445. Attached is the very rough draft agenda for the event, along with a one-pager that provides more information on the Corporate Symposia series. Please let me know if this is something he would be interested in doing.

Thanks and please don't hesitate to reach out with any questions!

*Deion Gipson*
