Kipps Elementary School
Team Fentress
2801 Prices Fork Rd.
Blacksburg VA 24060.

Dear Governor Hailey,

My name is Julia. I go to Kipps Elementary School in Blacksburg, VA. I am a 5th Grade student in Mr. Fentress' class. I used to live in Clover, SC and on a Field Trip I visited the Capitol. I enjoyed it. I also like cats, I have 2. Do you like cats? I also consider Huskies as cats. I have a twin sister too, her name is Laci, like Lacy but with an I.

Mr. Fentress is teaching us about States. I chose this state because: I grew up there, I love the warm weather, and it has a lot of history. Our Town of Blacksburg is surrounded by the Blue Ridge Mountains. There is lots to do here. You can hike through our forests, do water sports on the New River, and see

Some Virginia Tech football. Anyways could you please send in brochures on South Carolina and postcard, etc. So if you are ever in the area, feel free to visit.

Sincerely,
Julia ☺

P.S our school mascot is a Kangaroo

"I salute the flag of South Carolina
and pledge to the Palmetto State. Love, Loyalty,
and Faith."
