Earth's Creation, USA Establishing Operations In Greenville County *Vitamin Manufacturer Investing \$2.8 Million To Establish Upstate Manufacturing Facility*

COLUMBIA, S.C. – Earth's Creation, USA, a family-owned company that develops and manufactures premium quality nutritional supplements in capsules, powders, tablets and liquids is establishing operations in Greenville County. The \$2.8 million investment will relocate the company's existing Miami-Dade County, Fla. operations to the South Carolina Upstate, creating an expected 44 new jobs in Travelers Rest, S.C.

Earth's Creation not only produces their own brand of products, the company also offers private labeling services to customers who want to build their own brand. Among the products developed under the Earth's Creation brand are vitamins and minerals, skin creams and lotions, sports supplements and more.

Situated on approximately six acres off of U.S. Route 25 at 18 Page Court in Travelers Rest, S.C., the company's new 99,000-square-foot Greenville County facility is significantly larger than its existing 15,000-square-foot facility in Opa Locka, Fla. As a manufacturer and wholesaler that ships products to a variety of distribution centers, the new Greenville County operations will also provide Earth's Creation with easy access to South Carolina's Inland Port in Greer, S.C.

Hiring for the new positions is underway. Those interested in joining the Earth's Creation team should contact Carlos Passwaters at passwatersc@yahoo.com. For more information on Earth's Creation, USA, please visit www.earthcreationusa.com.
