[Hunting for the root of immigration woes? Look to the past](#)

WASHINGTON (AP) — For more than a decade, lawmakers have been pointing at their counterparts to take the blame for what just about everyone agrees is a broken immigration system. But whatever specific policies are being fought over in Congress, immigration experts say the problem took root at least 30 years ago, when President Ronald Reagan signed a 1986 law that has become known as “Reagan’s Amnesty.”

[Racism and talk of religious war: Trump staff's online posts](#)

WASHINGTON (AP) — Donald Trump's paid campaign staffers have declared on their personal social media accounts that Muslims are unfit to be American citizens, ridiculed Mexican accents, called for Secretary of State John Kerry's death and stated their readiness for a possible civil war, according to a review of their postings by The Associated Press.
