## WELCOME TO SMART CITIES NOW

*Updates on smart city progress around the globe*

### NEWS & TRENDS

**What makes Barcelona so smart?** Spain's second largest city claimed the No. 1 spot in yet another smart city ranking, this one by Juniper Research. What can other cities learn from Barcelona? Click to the site for some insights on that (and to see which other cities made the top five). [MORE >>](#)

**Database uncovers elusive robber:** Police struggling to find a serial bank robber credit a database with ultimately breaking open the case. See how technology from SunGard Public Sector led detectives to the robber even though all they had was the vaguest of descriptions to go on. [MORE >>](#)

**How an innovative telecom supports livability:** Communications powerhouse Ooredoo is showcasing its next-generation smart solutions covering everything from smart learning to smart stadium technologies. Click for examples of how the Qatar-based company is changing lives for the better. [MORE >>](#)

**Partner spotlight: GE, S&C Electric, Black & Veatch, Bit Stew**  
Iceland's electric grid gets boost from GE technology... S&C Electric exec focus of article on Africa's energy future... Hong Kong asks Black & Veatch to help address its water uncertainties... Rocket Builders names Bit Stew Systems a top clean tech company. [Get the details now >>](#)

### TOOLS & RESOURCES

**Making the case for Dr. Robot:** Is your city hampered by inadequate health care, as in not enough medical professionals to meet the need? Qualcomm describes a vision where robots could provide better health care to more people with less delay. Find out how that vision is already taking place with great success. [MORE >>](#)

**NA's first major smart cities conference + expo coming Sept. 14-16**  
Smart Cities Council will host its inaugural Smart Cities Week event Sept. 14-16 in Washington, D.C. -- and you're invited! The event will feature a full program of internationally known experts, executives and government leaders. You'll witness case studies with best practices from the world's most successful smart city projects and an exposition floor full of cutting-edge technology exhibits. [Don't miss it >>](#)

### JESSE'S PICKS

#### Understanding smart grids

Smart grids are essential in smart cities. But what exactly are they? Anyone looking for a basic, straightforward explanation of what a smart grid is will find it in this [one-pager](#) from Council Lead Partner Alstom Grid. It provides useful comparisons between the traditional grid and the benefits that intelligent grids being implemented around the world provide.

### SMART CITY EVENTS
