

Mad Fox Killed

In City Limits *4/2/45*

See page
A mad fox was killed at Gonzales Gardens yesterday afternoon where it engaged in a fight with some dogs in the community. If any persons had been bitten, Sgt. R. E. McMahon said the police department had not been advised about it. The fox had been wandering around on the Eastern part of the city the last day or two. Yesterday afternoon when it was engaged in a fight with a dog, some of the residents began clubbing the fox. Soon C. W. Montgomery and D. A. Neely of the city police department arrived and helped dispatch the animal obviously suffering from rabies.
