Subject: 2016 Carolighting

I talked with Martha Studsill with the City Center Partnership marketing committee. She was very excited that Governor Haley is considering Thursday December 1 for the Carolighting. Main Street is planning their First Thursday holiday event that evening and we will already have things going on from a retail and restaurant standpoint. They want to work with us to connect the two events. Kelsey and I both think the Thursday date would be best for a number of reasons. Once the decision is made I will be happy to call the Garden Club contact to let them know and see what they want to do about scheduling delivery and decorations.
