

June 8, 1942.

The Budget Commission met in the office of the Governor at 11:00 o'clock A. M., all members being present.

General Charles P. Summerall, Col. J. P. Thomas, Col. L. S. Letellier and Mr. J. M. Moorer, representing The Citadel, appeared before the Commission and requested that the sum of \$6,800.00 be supplied by the Budget Commission to supplement an appropriation of \$50,000.00 made for the fiscal year 1942-43, to provide for an extension to the mess hall at The Citadel to accommodate an anticipated increase in enrollment there. The balance in the Civil Contingent Fund was insufficient to permit the Budget Commission to allocate this amount to The Citadel. The Commission agreed, however, to supply the needed amount, either by transfer from some other fund if possible to do so, and if not found possible to do this, the Commission agreed to authorize a transfer from The Citadel's 1942-43 Maintenance Account to the construction of an extension to the mess hall, and to support a deficiency appropriation for The Citadel next year to reimburse the Maintenance Account.
