Dear Governor Nikki Haley

11-10-16

The Institution of Kirkland R&E Center is being facilitated unconstitutional by Medical Staff, under the supervision of Mrs. Sermon for illegal embezzlement by withdrawing funds from Inmates account without notice, or legal consent. On the date of 11/8/16 Inmate Abdullah found out from the Mailroom Clerk that \$78.00 was deducted from his Inmate account by medical personel, Mrs. Sermon in 18 days since his arrival at the Institution. Over one hundred Inmates in Unit F-3 have been complaining to the Warden, Tim Riley, that funds have been deducted from their accounts without notice, or legal authorization by the medical staff at this facility. We have all come to the conclusion that the medical staff here at Kirkland R&E Center, is illegally embezzeling money from Inmates account to help fund this Institution.

We are asking our Governor, Nikki Haley, of South Carolina to have this matter looked into, and stop this appression of illegal embezzlement.
