Catherine,

I just spoke with Pam. She received the information from Sen. Martin's office this morning. She is in the process of speaking with Ms. George to determine her needs. If she requires an assessment, one will be scheduled. With the holidays next week, it may take longer than usual to schedule an assessment. Pam will continue to update me and I will pass the information along as I received it.

Good Morning Jennifer,

I just spoke with Senator Martin's assistant, Pat Hamby, about this. I think Pat Eaker works for the AAA but could you please make sure the AAA has gotten the referral for Assessment. Also if possible, if they or you could let me know when she is scheduled for assessment/assessment is completed. Thank you for your help.

Danny,
Senator Martin asked that I contact you regarding a very dear friend of his who is a disabled widow confined to a wheelchair. She doesn't drive and needs someone to go out and assess her needs and to let her know what services are available to her. Below is her contact information. I have also contact Pam Eaker with the same request.
