At long last.....here are the Serencsas from Myrtle Beach! They completed their Ultimate Outsider journey back in August, and their photo somehow didn't make it to our social media office! But now, here they are and we congratulate them on visiting ALL 47 SC State Parks! They completed the journey at their home park of Myrtle Beach State Park with Ranger James. Congrats and we hope you're still having fun visiting parks today! <https://southcarolinaparks.com/ultimate-outsider>

 **Karen Serencsa** Woohoo!! Thx so much!! We so enjoyed taking our RV to some of the parks, then visiting surrounding parks. Sad to see we've completed our "Ultimate Outsider" trek, but be sure we'll keep visiting them in the future. We so enjoyed learning the history of this state as well as admiring the beauty of it.

**Karen Serencsa** Dan Peltier - probably took us about two years. As I stated before, we would take our RV to a specific park, then visit other parks within a 50 mile radius. Did different parts of the state that way. Enjoyed every minute of it.
