Please read the attached email below.

Please be advised that I have not had an EPMS in over 3 years. This is just one of the issues I will bring up in the meeting with you. I will also discuss the waste of state tax payer's dollars.

I want to reiterate that you personally told me to come to you if I detected any improprieties in the DMV before I got in touch with the Governor's office or the Legislative Audit Council.

Please contact me at your earliest convenience.

Jimmy,

Thank you so much for your part in the Call Center upgrade. It was a huge blessing to be able to complete that project Friday night instead of having to come in on a Saturday.

We finished in three hours and Bruce and I were able to leave at 8 pm. It would never have happened without your initiative.

Thank You.
