Nikki Haley on WAGT (NBC) - Augusta, GA

01/27/2015 19:15:36

NBC 26 News at 7 (News)

... regardless of their income level, where they come from, where they live, deserves a chance at a high quality education for their children." governor nikki haley spoke to the crowd ... and read her proclamation in support of national school choice week. students and parents came from as far as greenville ... "i have been motivated to be what i want and do what i want in life. without having the ability to choose where i go to school, i would never have that feeling." i would have been stuck at the school i was zoned to in the first place." ...
