that he was convicted of Aggravated Assault. On the copy of the indictment, it states that he plead guilty to count #2, Aggravated Assault, and this is the crime

5. (cont.) *for which he was sentenced. Please clarify the status of the charges/convictions.*
The Solicitor's verification form (see C-4 in training manual), original and all three copies must have a raised seal.
The blue inked, Clerk of Court time and date stamp certified copy needs a raised seal or the Clerk's original signature under the stamp. This applies to the probation order, indictment, and violation of probation arrest warrant included in all packets.
6. _____ Subject has surrendered.
7. _____ Extradition request withdrawn.

On Form 37, paragraph M, a brief statement of the circumstances of the crime committed by the fugitive for whom the extradition is sought must be filled out in this section. I understand that this has not been a requirement in the past and that "see attached" has been acceptable. In an effort to establish efficient standard operating procedures for this office for the future, we are requiring that Section M be filled out in the spaces provided.

Please collate the documents in the original packet and packet copies.

Please include copies of original request for extradition letter with copy packets.

Please call me at 803-734-5283 if you have any questions or need to discuss the request package.
