FYI. I'm going to give her a call tomorrow. Did you hear from David about the one pager on refugees?

Thank you, Ms. Priester did reach out to us!

Can you please help me on another topic. I seem to recall the Governor issuing a statement or a letter concerning refugees being resettled in South Carolina. My constituent is clearly concerned as his email outlines:

Thanks for getting back so quickly. But I am a little confused. The information I have is that Governor Haley took a firm line against the Gitmo detainees being sent to SC, but I have also seen that she is open to receiving Muslim refugees.

We MUST NOT accept either!!! Could you check and see what is correct. And if the muslims are coming, I urge you to oppose that!!! We don't need ISIS and Sharia law in SC!!!! They are bad enough in the Middle East!!

Has the Governor taken a stand on this and if so can you please send me a copy of the press release?
Thank you for all your help, as always.

Representative Felder,

It was great to see you too! Thank you for sending the information below and inviting Governor Haley and the First Gentleman to the event on Saturday, November 21, 2015. I have provided this information to Nicole Priester, the Governor's scheduler. I will let you know when I have more information.

Please let me know if you need anything!

Thank you,

It was great to see you in Columbia last week. I know the Governor and all the staff is incredibly busy with all the positive things that are happening in our Great State.

Mr. Harvey Mayhill has reached out to me. He mailed an invitation to the Governor to attend the Quilt of Valor presentation on Saturday, November 21, 2015. This event is huge and will recognize 62 of our Veterans for their service to our Country. Mr. Mayhill and the other event organizers would like to honor "63" Veterans and include the First Gentleman Michael Haley with the gift of a quilt for his service to our Country.

Would you please consider discussing this with the Governor, it would be nice if First Gentleman Haley could be surprised.

I assured Mr. Mayhill I would be sure and pass on a request to staff for the Governor to be aware of this event as I am sure her calendar is extremely full.

Thank you in advance for your help. Please reach out to me if you need any additional information.
