Terry Spencer - York
803.831.1166 H / 704.578.0471 cell

Needs to discuss the hacking of his SSN's with you and the procedures (or lack thereof) set-up. This is very important to him that you call him back.

Just letting you know this since I am out in case you want to call him back directly. Otherwise, I can call him when I return to the office tomorrow. Pls advise.

Thx
M
