Hey Carri,

CSID is planning to send two people to participate in person on the AARP call next week, David Shames and Eric Stevenson. They should be reaching out to you soon. I will follow-up later this week to make sure you have heard from them. Also attending the call will be representatives from our office (Katherine Veldran if available and me) and DOR.

I have a few questions about the call.

1. Can you confirm the location as AARP's offices in 1201 Main Street, Suite 1720?
2. How long do you expect the call to last?
3. Are you still expecting 10,000 to 15,000 participants?

Please let me know if you think there is anyone else we should ask to participate or if you have any questions. We will have all of the materials including FAQs ready this week.

Thanks,
Rachel

Hi Rachel,

In talking with staff we could think of two potential additional partners who were helpful last round: the Lt. Governor's Office and Libraries.

It was nice meeting you today. Let me know if you have any further questions regarding the AARP Tele-Town Hall.

Thanks,
Carri

Subject: CSID enrollment

Hi Carri,

Katherine Veldran gave me your email. I am helping coordinate with DOR on the dissemination of CSID's enrollment details. I have attached a list of the groups that have committed to help disseminate information – based on the list we had from last year. Given your extensive involvement last year, I would appreciate your advice on this list. Do you see anyone missing that may have helped before?

Also, Samantha Cheek let me know that Consumer Affairs and AARP would be hosting a call for 60k members on October 31. I am not sure who all you planned to have involved on the call. We think it might be beneficial to have someone from CSID on the call and thought of mentioning this to Joe Ross at the press conference today. What are your thoughts? Do you think someone from DOR should listen in as well?

I look forward to meeting you and working with you on this.

Regards,
Rachel
