Subject: Voter Fraud and Prevention for Nov. 8

Good Day Mayor, Governor, Senators, and Congressman.

My name is Treana Atkins and I live in Rock Hill, SC. I will be voting in the upcoming presidential election on November 8. I am extremely concerned about voter fraud in this election. My question to you is, what are you going to do at all levels of government to prevent voter fraud, and what can we do, as the people, to help in combating the issue.

Voter fraud issues are vast but include voting multiple times, criminal voting, illegal immigrant voting, out of state voting, and deceased persons voting, discarding of ballots, ballot box stuffing, and voting machine switches.

I, and others, need reassurance that our elected officials are doing everything to prevent fraudulent voting. We are willing to do our part to help in the fight.

Thank you sincerely for your time.
