Dear Katherine,

Just a reminder that we'd like to have edits and updates to our best practices drafts by this Friday. Our goal is to make this as easy as possible for your state. If you'd like to send us key words for legislation/initiatives or if you'd like us to do a quick conference call with your policy staff, we will work with your schedules. Thanks in advance for helping us collect all the good ideas in your states for the governors.

Best,
Marie

Katherine,

Please find attached our updated memo on Governor Haley. Please review the document by Friday, November 8, and let us know if you have any edits, additions/deletions. We are happy to set up a call with you next week if it would be easier to for you to dictate some reforms that we've missed.

Best,

Marie

Katherine: Hold on this memo. I just saw what was prepared for you by our team and sent from my account- we need to improve this. Too many holes on areas where we should have info from you. Will send you another memo in a day or so.

Dear Katherine:

Attached is a memo highlighting the Best Practices we have on file for your governor from 2011-2013. In some instances, we have deleted reforms that, according to our files, did not get implemented/signed into law. Please review the attached document by Friday, November 8, and let us know if you have any edits, additions/deletions. We will provide this material via a comprehensive file to governors and staff at the annual meeting. This information also will be available at RGPPC.com<<http://RGPPC.com>> in our staff portal.

Thank you,

Marie
