The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley,

I want to thank you for all the work you have been responsible for both here in Lexington County as our Representative in the South Carolina State House and throughout the great state of South Carolina as Governor. I am writing today to ask you for a reference for my son, Peter Gallagher, who wants to enter the United States Air Force after he graduates from Clemson University this summer.

Peter was an honors graduate of Lexington High School and will be an honors graduate from Clemson with a degree in Electrical Engineering. He wants to continue to pursue his interest in electrical engineering while serving our country in the Air Force. He is growing into an incredibly sharp and well-rounded young man, and is well suited to expand the skills he developed at Clemson in the Air Force. For the past three summers, he has worked in the IT department of Blue Cross and Blue Shield and for the past two semesters, has worked closely with two other universities on a successful drone project for Boeing.

A reference form your office would be an immeasurable asset in bolstering his opportunities to serve our country. I sincerely hope you have the time and inclination to help our son, Peter, in graduating from Clemson,

Sincerely,

Dan Gallagher
