Hi Danny and Darryl -- would love to meet Wed am if that works for you both. Grey Parks from my office would join us.

Thanks and let us know what works with you -- we look forward to meeting with you.

I don't think y'all know each other, so, let this be the introduction. Darryl, I mentioned to Cheryl our conversation regarding the job training program and our need for better and more economical results. I'd like for y'all to get together and discuss how we improve. I'll be in Columbia tomorrow from 4-5 and on Wednesday from 8-11, and I'd like to sit in, if any of that time is convenient for you two, but that's not absolutely necessary.

Please proceed with or without me. Thanks
