Not sure if you got this? How about we get a set of the Encyclopedia of Hinduism signed by the Gov? Could also get Pastides to sign and any of the authors? It was a historic 20 yr project that they are very interested in a year after the fact. They sell forever \$1,000, I am sure the publisher would do for free if we asked. A set was give to the Gov to reside in the state house, I know cause I dropped it off for the publisher.

Hi Bhavna – I'm glad to hear that all is well. Attached is the report of coverage. You'll be able to see the outlets that covered and dates. Without checking, I imagine many of the URLs may no longer be valid.

Best,  
Peggy

Dear Pam and Pam,

Hope summer is going well for you! I have an urgent request from Counsel Gen Kumar regarding photo's from our launch event regarding the encyclopedia.

Could you please send him photo's ASAP, I will ck my computer but I think the ones he needs are likely the reception line & stage shots.

Thanks for your help! Please also ck the Palmetto Health site and join my team for the Walk for Life on Oct18. I'll be one of the featured survivors and all my friends including Gov Haley will be in attendance.

Thanks for all you do!
