# South Carolina Department of Natural Resources

[www.dnr.sc.gov](http://www.dnr.sc.gov)

**The South Carolina Department of Natural Resources** is a division of the South Carolina State Government. Our mission is to serve as the principal advocate for and steward of South Carolina's natural resources.

Our work involves the education of the public, so that our natural resources and the opportunities surrounding them are approached safely and responsibly, which is important for the quality of life for present and future generations.

We invite anyone who shares our mission and enjoys the outdoors to participate in our programs!

We offer a variety of **FREE** programs through the year:

- **Fishing Rodeos**
- **Family Fishing Clinics**
- **Fish Tackle Loaner**
- **Nature Hikes**
- **Birding 101**
- **Take One Make One**
- **Hunter Education**
- **Boater Education**

**SCDNR Diversity Outreach** seeks to champion and provide opportunities for everyone in South Carolina to participate in the outdoors. We work with the Hispanic community, the African American community, and other minority groups in South Carolina. Contact us to learn more about what SCDNR can offer you.

Remember that anyone in South Carolina can purchase a license for fishing or hunting and that such a purchase directly contributes to the conservation of our natural resources.
