Governor of South Carolina, Nikki Haley  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor Haley,  
I am in the 5th grade at Northridge  
Elementary School. The reason why  
I'm writing a letter to you is because  
I'm doing a state report in my class.  
I would like some info from you.  
I would like to know about the state  
flag, bird, population, largest cities, national  
parks, and interesting facts. I want my  
report to be the best in class and  
I'm hoping you can help.

Thank you!
