**To:** Aasmo,

Greg Dozier, Director of the Georgia Department of Driver Services, has expressed a willingness to serve. Greg would be a good addition. He has a strong business background and was the former budget director for Georgia, so he understands revenues and expenses very well. He currently serves on the Region II Board of Directors and takes his responsibilities as a board member seriously.

**Subject:** AAMVA Business Opportunities Committee  
 Hi Greg,

The AAMVA Chair appoints a Business Opportunities Committee, composed of an administrator from each AAMVA region, that works with AAMVA President/CEO Neil Schuster, and AAMVA Vice President for Products and Services Patrice Aasmo, to review and make recommendations to the international board of directors on potential revenue producing enterprises that the association may have become aware of.

The Region II position on this committee will be up for appointment at the close of this year's AIC in San Diego and a new appointee is needed. Would you be interested in serving in this capacity? It does not require a great deal of time. To date it has involved no travel, just a conference call preceding each AAMVA international board meeting (3 per year), and a little time on each members part in advance of the call to review materials provided on potential business opportunities identified since the previous call.

Patrice will be talking with incoming International Chair Chuck O'Donnell on August 12 to discuss appointments for the coming year. Chuck and Patrice has asked me for a recommendation for Region II, and I think you would be an outstanding adjunct to this committee. I would very much like to recommend you as the Region II representative, if you would be willing to serve.

Please let me know your thoughts, and any questions you might have, regarding serving.

Thanks!

Fred
