Subject: Oct. 2 conference call and Oct. 15 training on hold

Good afternoon, everyone,

We will not have the Oct. 2 conference call, and we will likely need to postpone the Oct. 15 training. I will be out for the next few weeks, recovering from surgery. If plans change, you will be notified by next week.

Please go ahead and email your presentations. Copy them to Gwenyth Johnson, Livable Communities Section Manager. We will circulate them to the whole group for everyone's review.

Thank you very much for your patience.

Sharon
