

***** MAINTENANCE *****

Start Time: Friday, 12/7/18 - 8:00 PM

End Time: Friday, Saturday, Sunday 8:00 PM - 6:00am (each night)

General Summary:

The Legislative Services Agency (LSA) will perform maintenance on the Network Infrastructure this weekend. This maintenance will address the current issues with very slow login times and very slow access to network files (Word, Excel, Outlook...).

Technical Summary:

The Legislative Services Agency (LSA) will perform maintenance on the Network Infrastructure this weekend. LSA will start installing patches and performing maintenance at 8:00pm Friday December 7, 2018.

Services and Systems Impacted:

Users will have limited access to remote connectivity, internet, email and the external website during this maintenance window.

If you have any questions or will be in the office working at this time please contact the Legislative Services Agency Service Desk at [803-212-4420](tel:803-212-4420).
