We were planning to go to Lake Wateree park this Saturday. Did that park reach capacity last weekend? I;m just trying to figure out if we need to get there really early to get in. Thanks

Also do we have to buy admission online? I understand we can, but is it mandatory?

Lake Wateree has reached capacity on some weekends. It's really hard to say, but when it does it is usually afternoon. I would suggest arriving early, before noon. You are not required to purchase your admission online. You can purchase when you arrive at the park. It's just an option.
