-----------------------------	--	---

Joint State/Federal Objectives

10b.	Provide technical assistance and resources to address public health needs.
3g.	Provide accurate, actionable, and accessible public information and messaging to the whole community to assist in recovery.
6e.	Provide accessible mass care and disaster recovery services to individuals, households and the private sector to include registration, case management, and crisis counseling, and refer survivors to whole community partners to address unmet needs.
2d.	Inventory and provide technical assistance in analysis and evaluation, prioritization, and conduct emergency repairs on identified structures and critical infrastructure, including roads, bridges, dams, water and waste water treatment plants, and water distribution systems.
16.	Review and conduct outreach to 100% of Individual Assistance applicants regardless of determination.
17.	Identify, prioritize and provide assistance through the Volunteer Organizations for Fast Track Assistance.
11a.	Assess, monitor, remove and dispose of debris.
13a.	Assess state, tribal, and local mitigation capacities and strategies and provide resources and technical assistance.
14b.	Assess the factors that contributed to disaster effects and develop a strategy to educate about risk reduction opportunities, including floodplain and insurance technical assistance to local officials and communities.
18a.	Complete the Advance Evaluation Team (AET) assessment to determine long-term recovery decision points under the National Disaster Recovery Framework no later than 04 NOV 2015.
19a.	Complete an assessment to validate the need for Small Business Administration (SBA) disaster loans for all eligible areas no later than 30 OCT 2015.
20a.	Conduct Joint Housing Assessment to identify needs and available resources to support displaced residents no later than 15 NOV 2015.
21a.	Educate stakeholders and conduct Public Assistance Applicants Briefings and Kick-off Meetings.
