Mrs Nikki Haley  
Hon'ble Governor of South Carolina  
United States of America

Dear Nikki Madam,

I thank you for giving me an opportunity to meet you at the World Trade Center, Mumbai. I also had the privilege of asking you a question on "Retirement in South Carolina". As expected, your answer, was apt and excellent.

I need your support or should I say your guidance for my daughter Ankita Anand, who just completed her Masters Degree from Courant Institute of Mathematical Sciences, New York University, NY and needs a decent placement either in her field or in some suitable area based on her qualification. (Resume enclosed )

Like a God sent Angel, Nikki Haley the Governor of South Carolina landed in Mumbai and I gathered the courage to ask for some help for my daughter.

This kind gesture of yours shall always be remembered.

Please guide her with some references.

God Bless you.
