Ashton,
Please see email from Bodil at Volvo. This event is for their retailers. They basically want an encouraging message to keep sales skyrocketing. They also see an appearance from the Governor as a big treat for the group.

Please let me know what other information we can get for you. Vance on the Volvo team will help with logistics and security. At this time, Commerce does not plan on attending

Good morning Jennifer, So nice to see you again!

It will be a great honor for us and our retailers would be delighted if Governor Haley would find the time to visit us Saturday afternoon.

We will arrive to Volvo Car Open around 5:30pm and go to our Volvo Sky Box. There is a perfect window between 6pm-7pm (when the match will begin) for Governor Haley to join us.

We have some small things planned: Lex welcome and a short update by Katarina Fjording on the factory – we will adopt to the Governor's agenda.

I'm copying Tom and Jay who are happy to assist with all details regarding access to the Sky Box, security preps etc.

Thanks so much for making this happen!

Kind regards

Bodil
