Dear Governor of South Carolina,

I am writing to you from Wellington, Florida. I have live here for almost 6 years, and I was born in Orangeburg, South Carolina.

I am in fifth grade and I'm 10 years old. I have a mom, dad, brother, sister. Some hobbies I have are dancing, swimming with my friends and family, and traveling to new places. I am learning how to relate multiplication to division in math, and writing letters in writing. That's why I'm writing this letter to you. I hope this letter reaches you, and that I will hear from you soon.

I am interested in learning more about your state. Can you please send me more information about you, and a family recipe? I would also like an autographed photo if possible. I greatly appreciate your time, and I hope to hear from you soon.

Sincerely

Madison Brown
