**TALKING POINTS:**

If she is willing, we would appreciate it if the governor would meet with our Precinct Presidents and Executive Committeemen in a private room at 6:00 pm for about 15-20 minutes. This would be a special occasion for them and we would like her to thank them for their work, and talk about the importance of their role in growing the party and getting out the vote.

After that we would adjourn to the main meeting room for a meet & greet until about 6:40 when we would call the meeting to order for the Governor to speak and answer questions. After her presentation we would continue socializing until about 8:30.

We are expecting around 200 people and will have heavy hors d'oeuvres and a cash bar. Please let me know if this will work for her.
