The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley:

South Carolina has suffered two of the worst events in the history of the State within a four month span this year - the Charleston church massacre and the horrific statewide flood.

Your leadership of our State is and has been unprecedented. You have met the challenge, assembled your team and steered emergency services on all fronts. The positive actions and on-target decision making of every member of "the team" have reassured and lifted South Carolinians to the incredible level of surviving, sharing and helping any and all in harm's way.

Thank you.

Sincerely,

A handwritten signature in black ink that reads "Barbara C. Harrill". The script is fluid and cursive, with the first letters of each word being capitalized and prominent.
